## **ADVISORY**

**Subject : Empanelment of Publications – reg.**

The Panel Advisory Committee during its meeting held on July 8-9, 2010 considered a total of 870 applications. The Committee recommended 163 publications for empanelment while another 125 publications were recommended for empanelment subject to submission of certain documents or fulfilling of certain requirements.

2. Enclosed herewith is a list of 163 publications that have been approved for empanelment and 125 publications that were recommended for empanelment subject to submission of certain documents or fulfilling of certain requirements.
3. The Committee has not approved 582 publications for empanelment. The publications which have not been approved are being informed individually in writing along with the reasons for their rejection. The reasons for rejection are also being uploaded on our website which can be viewed by the individual applicant using their application number.
4. The publications which have not been recommended may apply on-line afresh during August, 2010.
