**ADVISORY**

**Subject- Launch of CBC's Portal (Transparent, Empanelment, Media Planning and E-Billing System) and Website- regd.**

CBC has launched its new ERP (Transparent, Empanelment, Media Planning and E-Billing System) and Website ([www.cbcindia.gov.in](http://www.cbcindia.gov.in)).

All Newspaper/TV/Pvt. FM/CRS vendors may please note that the Vendor Area in TEMPEST can be accessed <https://cbcindia.gov.in/cbc/client-login>, which will have the following features:

**Release Order Download**: New vendor area offers a dedicated section where publishers/agencies can download release orders, which are documents containing instructions and details about advertisement.

**Creatives Download (Newspaper/Pvt. FM/CRS)**: New Section will provide a platform for newspaper agencies to access and download creative.

**Online Billing**: New online billing system will enable all agencies to submit, view and manage their invoices and track their billing history.

**Search and Filter Functions**: A search functionality will help publishers/agencies quickly find specific release orders, creative assets, or billing information. Additionally, filtering option based on categories or date-range could further streamline the search process.

**Please Note**:

- There will be **no physical bill submission** after this new online billing system come into force. However old bills will continue to be processed in both online and offline mode.
- **Newspaper vendor's login** credential will remain same, which they used at the time of rate renewal.
- **User credentials of TV/Pvt. FM/CRS vendors** will be communicated through e-mail on their registered e-mail ID with CBC.

For any technical assistance, **support** team of CBC will be there to support operationalise the new ERP system, Any query related to the same can be sent at the following E-mail: [support.cbc@becil.com](mailto:support.cbc@becil.com). In addition, during office hours the following IVRS numbers will also be available.

Support team: 9810205148, 9289772910, 9289772911

The new system has gone LIVE w.e.f. **23<sup>rd</sup> February, 2024**.

This issues with the approval of DG:CBC.
