ADVISORY

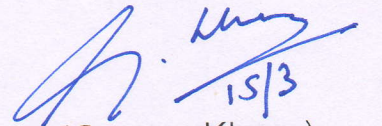

Sub: Uploading of correct documents for rate renewal (2024-2025)-reg

As per Advisory dated 17.11.2023, seven days were provided to correct the deficiencies that were found during scrutiny. It has now come to our attention that some publications haven't uploaded the correct documents within 7 days.

Therefore, one last window to upload correct documents as specified by CBC, is being given till 21.03.2024, failing which the rate contract for the next period (2024-25) will not be issued by CBC. Thereafter, no further queries/representations in this regard will be entertained.

Note : All such publishers may please check their rate renewal login area (<http://cbcindia.gov.in/cbc/vendor-login>). The publishers who have already uploaded deficiencies for rate renewal-2024-25, need not upload again.

This issues with the approval of competent authority.
