Date: 18.07.2025

ADVISORY

Subject: Extension in the date of validity of rates for Outdoor Media till 31.12.2026 or earlier till validity of sole rights-regarding.

This is in continuation of earlier advisories dated 27.09.2024, 31.12.2024 and 30.05.2025, regarding submission of necessary documents by outdoor advertising agencies for extending the validity of their approved rates. Based on the documents received so far, the agencies mentioned in the **Annexure 'I'** have been approved for extension of validity for their outdoor media—with details of media type, location, and extended validity.

2. The validity of outdoor media has also been extended in the list available on CBC's official websites: <https://davp.nic.in> and <https://cbcindia.gov.in>.
3. Any media not included in the list as enclosed, and for which the above documents are not submitted by the deadline, have been removed from the CBC panel. However, the agencies are free to apply afresh for empanelment/extension of media with requisite documents in routine manner.
4. The rate letters issued to the agencies from October 2024 are valid even if their name does not appear in the published list in Annexure 'I' subject to timely acceptance of the offered rates and other terms & conditions of the offered rate letter. The advisory will be valid till 31.12.2026 and will not be revised in any circumstances.
5. Following to be noted:
 - i. The published list must be referred to, in conjunction with the rate letters already issued to the agencies.
 - ii. Rates are valid only if the media is listed on CBC's official websites.
 - iii. If any false or misleading information is found to have been submitted, the concerned media will be removed, and the agency may be blacklisted. CBC may also take any other appropriate action, as deemed fit.

- iv. If sole rights of any media are terminated before the end date shown in the list, it is the agency's responsibility to inform CBC immediately to remove the media from the panel.
- v. All terms and conditions in the existing rate letters remain unchanged.
- vi. The General Terms and Conditions will continue to apply.

This issues with the approval of the DG;CBC.
